Operational Policy Concerning NEW Lawn Sprinkling and Irrigation Form

Any **new lawn seeding** of **sod installment** that requires watering will be allowed a credit on the residence sewer and water bill. This credit will only be for a one month period and must be requested in writing (attached log with water meter readings from **INSIDE** the residence must accompany the request. The log is to include date and time watering begins and time watering ends with meter reading at each time, **EVERY** time sprinkling or irrigation occurs). **Form must be filled out completely prior to any credit given.** Once this form is returned to the Utility Billing Department, a sewer credit will appear on the following bill. If you have any questions regarding this form, please call the Utility Billing Department at 847-395-1000.

Please check with the Village of Antioch regarding restrictions before you begin watering.
